

Sussex Area Online Committee report to Area February 2026

What we do

We are responsible for hosting the website and managing the Zoom accounts, alongside other social media and online listings.

Many recovery meetings are hosted each month; and many sub-committees adopt a hybrid format. The Zoom accounts are also able for service days, events and planning meetings, please contact us to check availability.

Updates

Guidelines for dealing with Zoom disruptors have been compiled. This is a local resource, and we would welcome feedback and any further suggestions. Some Zoom housekeeping has taken place and relevant groups have been informed of changes.

We would like to invite new people to the committee who are interested in developing our online profile such as our Facebook and Instagram presence.

Website

The website is running well, and we have been updating meetings and events as and when they come in.

Please could we ask that Sub-committee minutes are sent to us in a format that allows them to be uploaded to the website. Meeting minutes within the body of an email cannot be uploaded. We do have a minute's template form, which is in Word.docx format. If you do not have Word, it will open in Google Docs or Open Office, both of which are web based and free to use. If Sub-committees would like any help or wish to have the template, please contact us. Thanks.
