

Sussex Area Online Committee report to Area June 2026

What we do

We are responsible for hosting the website and managing the Zoom accounts, alongside other social media and online listings.

Many recovery meetings are hosted each month; and many sub-committees adopt a hybrid format. The Zoom accounts are also able for service days, events and planning meetings, please contact us to check availability.

Updates

Social Media

Facebook housekeeping was discussed and planned. Social media has now been handed over to Rich. We are exploring setting up a rolling carousel of meeting information on the Facebook page. GSR's – if you would like your meeting to have its own 'advert' please send details to webservant@sussexna.org

(Remember to include the registration mark with any graphics).

Website

The website is running well, and we have been updating meetings and events as and when they come in. We discussed the longer-term future of the website given that some committees are starting to create their own online pages/sites. Although relatively cheap to create, these sites don't include google optimism so having Sussex NA as the parent site continues to be very helpful. We are looking to revamp the website in the near future.

AOB

Service news
