

Sussex Area Online Committee report to Area July 2026

What we do

We are responsible for hosting the website and managing the Zoom accounts, alongside other social media and online listings.

Many recovery meetings are hosted each month; and many sub-committees adopt a hybrid format. The Zoom accounts are also able for service days, events and planning meetings, please contact us to check availability.

Updates

Social Media

Rich is refreshing Facebook and Instagram. We are exploring setting up a rolling carousel of meeting information on the Facebook page. GSR's – if you would like your meeting to have its own 'advert' please send details to webservant@sussexna.org

Rich will attend the next LSC to discuss the "professional page" and their involvement with it. Local meetings to have the option to post flyers or posters relating to their group to be mentioned at area.

(Remember to include the registration mark with any graphics).

Website

We have been updating meetings and events as and when they come in. There is an issue with our Online Form used to add/remove/update meetings. We are investigating why it has stopped working, so please bear with us. For the time being, the form link has been removed from the top of the meetings list page and replaced with our email address to contact us. For anything regarding meeting changes, please email us with the details, providing name, email and mobile number so as we can update both the Sussex NA site and the UKNA websites.
