Business –

Trish confirmed that the Crawley meeting were considering putting on fund unity day in the Crawley area and that she had attended the F&E meeting to discuss the proposed unity day for suggestions and ideas.

The Crawley meeting has a surplus of money which could be used towards the event.

Wayne confirmed that F&E would be happy to assist and help if the Crawley would like and ask for help.

Trish confirmed that it has been suggested that the event would be put on in February and a discussion took place around ideas for the unity day. A speaker Jam was suggested with food and a quiz night.

F&E agreed that we would be happy to assist if Crawley would like help.

F&E would be happy to attend the Crawley meeting to join in with the discussion.

If Crawley need help then they should attend the ASC to put forward their proposal.

A question was raised should Crawley form a sub committee for the event or should this be undertaken through F&E. – Kat will be able to assist here.

Trish will feed back to the Crawley meeting.
