

Overview LSC 12/11/2019

HMP Ford:

We need to find another willing member to be vetted to provide extra cover for the Saturday meeting if possible. (The meetings are well attended and attracting new members).

Mark K now has access to attend and facilitate meetings at HMP Ford. Having been granted Standard Plus authorisation. Things are changing soon at Ford. DART will soon be opening during the evenings. Making it more likely to hold a second NA meeting in Ford early evening.

HMP Lewes:

Paul R and I have attended HMP Lewes on most occasions so far since starting the NA meeting on M wing.

Also taking part in the "Stepping Stones" process too.

As agreed last month: Paul & I visited the Forward Trust office and had a lengthy discussion about the way forward. Between us all, an outline was agreed. Hold the meeting during "free flow" in the Group room. Tuesday midday-ish. Up to 4 NA members to attend (2 vetted and 2 NA guests). This would open up the attendance to inmates from several different "Wings". However, we will have to have some training, then carry radios. The earliest that the radio training will be, towards the end of November or early December.

On another note prison healthcare contracts across the whole prison estate will shortly be changing, meaning that the NHS will no longer have these contracts. In reality, prison healthcare seems to be heading towards being privatised. This may have an impact on us locally.

Langford Centre, Bexhill. We now only have one monthly meeting. A combined Women's and Men's meeting. Babs T is the panel leader/secretary.

Recovery Lighthouse, Worthing.

Symposium to Medical Students Sussex University.

This took place earlier today. As agreed by text. This was facilitated by Kat M. 3 other NA members also attended and gave an NA presentation to several of these students.

Royal Sussex County Hospital, Brighton. Wayne report.
