### **Current Commitments**

Bowerman House:	Sally-Ann reported: We had a very lovely meeting, inspiring share and the resident shared back and were very focussed and engaged with the meeting. Small group of 6. They all wish we could come in more than once a month. Sally Ann has agreed to go twice a month from January.
Recovery Project:	Kat/Steve L/ Tyler. Kat reported: continues to be a rewarding piece of service that is appreciated by the clients who attend. We have agreed to attend over the festive period.
Lighthouse Worthing	Brian B/Aaron: Brian B reported: I covered 11 <sup>th</sup> November and accompanied Peter on 25 <sup>th</sup> to give support and reassurance. All well with 10 clients, all seemed interested in learning of NA, asking questions and sharing experience. I shall miss this service and am very grateful to have been involved. Aaron reported: Continues to be well attended 10-13 clients. ESH share from NA members. Clients are always asking questions to get a better understanding of what NA is and can offer. Good feedback from clients and staff. I too will be handing in my commitment as alternate panel leader. This is in the spirit of service rotation, as much as I love it and could carry on I've had this commitment on and off for a long time now. I will carry on until else is voted in.
BRCH	We are looking for two NA members to take on this commitment, on a Tuesday evening.
Shore House:	Nicky reported: Our first visit to Shore House went really well.
HMP Lewes	We will go into the Prison once passes have been sorted. We may have to use Gate Passes and be accompanied by a member of staff until NA passes have been arranged by the Prison. These visits will take place on Tuesdays at 9.00am with an arrival time of 8.15am. Paul R not available until February. Anyone interested in service at the Prison or for more information should contact Steve L.

- HMP Ford We are currently in negotiations, there is a higher level of security that has been introduced. See Steve L for more information.
- Sussex University: Louise reported: 12 members attended to present to 250 2<sup>nd</sup> year medical students. We were asked to use a 'goldfish bowl' format. This was new for us but we embraced the challenge and it went well. We distributed plenty of literature too. Always feels like great service to be part of.
- Millview Hospital: We are currently looking for people to take on this commitment

Literature: All literature requests have been fulfilled.

### **Poster Distribution**

- Lucy reported: I had a few volunteers helping to poster Sussex last month and more areas are booked for this month, still need Horsham and Crawley areas to be covered. Louise knows people who she will ask to contact Lucy. Aaron is putting out the word in the Bognor area.

NB Clean time requirement to do a poster distribution run is 6 months, to be done in pairs.

### **AOB**

- YMCA Portslade: Awaiting a response to our email.
- Phase One Hostel: Jill to email to tell them we will be in contact to arrange a presentation in January.
- Private doctors Asked for presentation. Lucy to supply Jill with details to arrange in January.
- Library at Lighthouse: Aaron has suggested a box/library with NA literature to be kept at the Lighthouse. This was approved.
- Chairperson's report to Area: Jill is moving to Hastings in January. She can attend the LSC meetings in person but will report to Area from online. This will mean hard copies of the report will not be distributed at Area so please go to the NA website for report prior to the meeting.
