HMP Ford

There was all of excitement about re-entering the prison as a bigger right I'm had been allocated for use by NA with all government guide lines being adhered to however an email was received stating this would have to be put on hold due to lockdown 2.0.

Hoping to return after lockdown however no date has been set due to uncertainty of when this will officially be.

HMP Lewes

Started in March in the prison & then lockdown 1.0 happened, We need to find out how willing the prison are to have the meeting return to the prison, What literature they have & if any is needed & if video link could be set up for a meeting whilst we can't attend in person. Steve to contact Lewes prison regarding Ronnie being placed onto mailing list with accordance to GDPR
