

## Sussex RCM Report for Area March 2025

Firstly Im still in need of an Alt RCM

This was a busy RSC with 19 RCM's in attendance over the weekend. We have 36 ASC's as part of the RSC and like Area not every region is always represented so please remind fellows that its part of their service position to attend physically or virtually.

### Service at Region:

Service Positions at Region, these are all essential service positions and need to be filled quickly , If you know someone who you think may be suitable for any of the position please ask them if they would consider taking on Service.

<b><u>Position</u></b>	<b><u>Minimum clean time requirement</u></b>
Vice Treasurer	4 Years
Secretary	3 Years
Vice Secretary	2 Years
Vice Resource	2 Years
Tech Host	2 Years

### motions.

There were some minor amendments to RSC Guidelines around Finances suggested in 2 Motions presented to the RSC and can be seen in the Working docs, these were seconded and "Approved"

A Motion brought by the West Midlands around Website Passwords was "Not" Approved but will be reviewed following discussions and further information.

A great flow of funds presentation was given by the Area Treasurer Bonita and I would like to present this at March's Area.

We also have the Membership Survey pamphlet in stock now and it's a great bit of info with facts and statistics to arm yourself with.

Having attended the London convention it was great eye opener for me on how they can be really attractive and a positive spin on addicts in recovery but in the same breathe if it doesn't go well it can really show NA up and bring us into disrepute.

- UKCNA ask ASCs for Ideas on Topics for shares at the convention
- So convention season is upon us and please, Can all members be mindful when sharing photos via media platforms of members “Anonymity” and check with those members photographed before doing so especially Photo Dumps after an event or where a member may no longer be an “Active” member or have passed away... the public and/or family members may not be aware of that/those persons recovery Journey and may be seeing information for the first time. This also relates to photos showing establishments our members may be visiting such as H&I venues/Prisons etc as we do not endorse those venues/Organisations. Thank you
- UKSO – Due to ill health the Orders may take a little longer than usual, currently a Director of UKSO is covering the roll, thank you for your understanding
