Total £480.00
Bid was successful.

OLD business

Guidelines

Guideline ratifications will happen within the subcommittee report

UKW&H

UK Website and Helpline Report:

Really need help with the twelve-step list – please action at area, email: ukna.org/12

Helpline are fielding numerous calls for meetings that have not let the website know whether they are running over Christmas.

Guidance from some RCMs is that they have sought approval from their GSRs to centrally update website; a single website/communications liaison has been successful at some ASCs.

This information can be requested at October ASC and then be collated in November ASC meeting.

The Website and Helpline committee will need a chair shortly, please let your ASCs know.

UKW&H guidelines

Share review – ratified

WhatsApp - ratified

Distance Sponsorship- a request has been made to identify the purpose of this service position/part of the Website & Helpline committee within the guidelines (intent); it has been suggested that the remit of this service initiative is to support members in the UK. Anything further reaching should be part of the EDM or the WSC.

Sunday afternoon we all took part in a 2 hr inventory workshop

We split in to 10 groups 4-5 members in each we worked together to respond to questions regarding the practice and efficiency of the body.

Responses were returned to group and inventory ad hoc committee will collate these and prepare an action list for consideration at the next RSC.

Once the recommendations have been considered, those that are approved for action will be notified and allocated a time line

RSM reports are not read out only questions asked, we never had any . 6pm we finished for the day.

On Sunday we resumed at 10am to continue business

Moments Silence & Serenity Prayer

Roll Call

Voting RCMS: 22

Support for EDM and World service positions

Discussion as to the process this body uses in order to endorse/support candidates for service positions at EDM/WSC.

There is nothing specific in the guidelines

Questions as to how an individual member may request space on the agenda

The guidelines state that any proposed additions to the agenda must be sent to resources in for consideration by the admin committee – this should happen in advance of the pre region report deadline so that due notice may be given to RCMs to consider any supporting information.

The Zonal delegate is a new position . Details can be found on the guide to region section 4 appendices 4.2.2. Copy of this is on the na.org website

Regional Delegates report

Area assembly, links to surveys, offer to visit areas included in full report.

Questions in preparation for EDM

The EDM uses Community dialogue as a way of sharing experience amongst the communities who attend. Does this body have any questions it would like to ask the other communities at the EDM?

Summer EDM & European Conference and Convention of Narcotics Anonymous - ECCNA35:

Platzspitz Park, Zurich, Switzerland 19th-21st July 2019.
