| Vice Chair report: | Neil P | Neil attended August ASC and delivered our report. No questions returned from the body. Neil has contacted our special worker to look into setting up the on-line store, ASC email address and also for cookie popup. | Neil will follow up on webstore, technical parts of the guidelines and cookie pop up and will try to get Aimee along to the next meeting. | <p>AOB:</p> | <p>SAOC Guidelines</p> | <p>Babs has been working on the next draft of the SAOC guidelines and raised a few points of clarification and approval:</p> <p>Firstly, Babs highlighted the fact that on the on-line meeting page there is a member's name and phone number as a point of contact for the Horsham meeting. This contravenes our guidelines and is also not in line with our Traditions. Paul also stated that this is something that we need to address and have the contact details taken down asap. Neil explained why this happened and agreed to speak to the groups GSR to obtain a hyperlink instead. Bab's then shared the working document and explained the ongoing work/amendments she has made.</p> <ul style="list-style-type: none"> - Statement of Quality and Table of Contents to be completed once we are happy with the Guidelines - Removed references to 'Web' and the previously proposed committee SWPWG, and accountability to LSC. - Re-worked first 6 sections (moved some content around, changed a few things) <p>Committee happy with these.</p> <ul style="list-style-type: none"> - Section 7, 8 and to some extent 9 need a more technical eye. <p>Sec 7- (Website content) Webstore to be added and meeting list will incorporate on0line meetings.</p> <p>Sec 8 – (Passwords etc) Amended to SAOC committee hold all passwords etc and removed SASC chair.</p> <p>Sec 9 – (Meeting schedules) Amended to “Meeting schedules will be updated in a timely fashion when notification from a group is received”</p> | <p>Neil will check on technical and privacy/cookie parts of the guidelines with Aimee and post answers to slack before the next meeting. If everything is OK Paul will take the guidelines to ASC for ratification.</p> <p>Neil will contact Horsham GSR about obtaining a meeting link and removing the contact phone number that is listed on the site.</p> |

| | | <ul style="list-style-type: none"> - Sec 10 – unsure of suggested clean time for web servants, we are working with one year but these guidelines state 3 years. Committee agreed that this should be reduced to 1year, this will help attract new members. Committee agreed to support any new member, so they don't get overwhelmed. - Sec 11 – I have left this short section completely intact as I am unsure of the 'PR function' of the committee Subsection 4 about financial requirements removed as this is covered in the treasurer section. - Sec 12 - is Amy now looking at this? Privacy/Cookie policy etc. Neil agreed to go over this with Aimee and to post suggestions on Slack. | |
