Agenda Items	<p>All</p> <p>Treasury – Bank Account</p> <p>12 Step List</p>	<p>Bank account now all up and running including on-line banking. Babs will arrange to meet up with Paul to pass on his card for access to the account.</p> <p>Following research Jez asked whether we need our own list at all and Babs confirmed that there is a process on the website to sign up and the guidelines are there too. All the volunteer has to do is 'click here', create an account and include the relevant details. The 12 step list is only accessible via UK Helpline who will use it to find the person best located to call the person.</p> <p>Jez commented that we need something on the 12 Step link on the website to point people to the Helpline.</p> <p>12 Step guidelines will stay where the 12 Step list goes and will point to the Helpline.</p> <p>It was suggested a flag be added highlighting that 12 Step volunteers are needed.</p>	<p>Jez will catch up with Neil about the technical changes</p>

	<p>Social Media</p> <p>BMLT Meeting list</p>	<p>No update at this meeting</p> <p>Paul explained that this is a database of all the meeting lists, wherever you are in the world you can go into the database and locate local meetings.</p> <p>The USA, South Africa and Ireland are all included, this would mean updating only one place rather than multiple ones.</p> <p>It appears to be approved by the NA world office but how its funded and some other bits are unclear.</p> <p>It is free to use but may cost us something to submit our area meetings. It works with WordPress but may cost to connect.</p> <p>Amy is exploring it for us in all aspects and it will take time for us to evaluate as a committee. We will carry this forward to the next meeting.</p>	<p>Item on agenda for next meeting</p>
