

Sussex Area Online Committee report to Area November 2025

What we do

We are responsible for hosting the website and managing the Zoom accounts, alongside other social media and online listings.

Nearly 60 recovery meetings are hosted a month, consisting of 14 unique meetings per week, and various subcommittees. The Zoom accounts are also able for service days, events and planning meetings, please contact us to check availability.

Updates

Reminder – we now meet on the first Saturday of the month at 9.30am.

We are preparing some guidelines for dealing with Zoom bombers.

We would like to invite new people to the committee who are interested in developing our online profile such as our Facebook and Instagram presence.

After consideration and discussion, we decided to increase the clean time requirement for a webservant to two years.
