

## **Sussex Area Online Committee report to Area October 2025**

### ***What we do***

We are responsible for hosting the website and managing the Zoom accounts, alongside other social media and online listings.

Nearly 60 recovery meetings are hosted a month, consisting of 14 unique meetings per week, and various subcommittees. The Zoom accounts are also able for service days, events and planning meetings, please contact us to check availability.

### ***Updates***

We agreed we would change our meeting day and time to the first Saturday of the month at 9.30am.

We would like to invite new people to the committee who are interested in developing our online profile such as our Facebook and Instagram presence.

We are also seeking new webservant/s to help with updates to the website. Full training is given, and nobody needs to do computer coding to be a webservant. Being tech savvy is helpful, but anyone who works with technology, knows Word or Excel or music software will easily be able to get to grips with our website.

Zoom – some problems had unfolded but these were resolved with Zoom housekeeping and cascaded to all users of the accounts.

### ***Website***

All meetings and Events are updated regularly. The Convention page is still visible at the moment. We would like to keep the header in place for future conventions but will delete info for SANAC16.

We have had a resource from NAWS about the representation of the NA Logo on flyers, GIFs or anywhere in print or online. We will be making the PDF available to download and view on the Events page of our site.

### ***Service vacancies***

Vice Treasurer – vacant (3 years CT)

Webservant - social media – vacant

Secretary – outgoing (1 year CT) – interest expressed in this position

Jamie G officially resigned as a webservant and was thanked for his service

**Please contact us on [webservant@sussexna.org](mailto:webservant@sussexna.org)**

### ***Treasury Report***
