Responses to action points from RSC:

CAR presented to the ASC in January, what it was, what it involved and that all GSRs should make it known to all members that they have a right to take part. Unfortunately in February there hadn't been any feedback from GSRs about any desire to get involved. Tally Sheet completed for Sussex.

All action points were presented to the ASC and well captured in the ASC minutes.

Questions for Region:

How to raise a formal 'motion' re: non-plastic (biodegradable) keyrings.
