

12th and 13th July 2025

Sussex RCM Report from Region at Solihull Crowne Plaza.

SATURDAY:

The day's agenda began promptly, with 14 RCM's Present and Sub-Committees in the room and online.

Saturday was focused on ratifications, a new motion to allow Tee's Valley to become a seated area at region, which the body voted on and the motion was passed, RCM Reports from across the UK and Reports from the Sub-committees.

- The Treasures opening balance £29,730.07p.
- Approval of Last Region's Minutes were approved.
- Positions available at region are:
Vice Secretary
Vice Treasurer
H+I Treasurer
We have a new Secretary to finally take the minutes at region.

Northeast London:

- Are planning on an online Parents in recovery Speaker Jam Online, Date to be confirmed.
- The GSR's for this area currently have a WhatsApp group and its working extremely well.
- Have asked for some guidance around implementing that members putting themselves forward for service with H+I and PI, that they meet the requirements of having an NA Sponsor and are currently working the NA steps, the reason for this is so the important message of NA that we carry to the addict that still suffers is not diluted in any way. I have offered Sussex's knowledge around this as our LSC already has this requirement in place.
- The RCM for N.E London has requested a GSR workshop, and I was wondering whether the GSR's from my area would be interested in this as well, it could possibly be made into a fundraiser as our area has currently gone into its prudent reserve at area.

Norfolk and Suffolk area (NASA):

- This local fellowship is attending a festival (Latitude) and will be there for the 3 days in the Recovery tent.
- There's a Unity Day in Lowestoft on Saturday 2nd Aug 11-5.
- This ASC is currently in the process of doing an inventory and once completed will be updating their guidelines.

Northeast Area:

- 1st meeting was held in HMP Deerbolt and had 8 participants and all had good engagement.
- I queried why this area was holding onto funds, £419 over their prudent reserve.
- Also in their report it was noted that their previous lit secretary What's queried around funds and I asked if this had been resolved, hopefully we will hear at next region.

South Wales area

Contact has been made with the regional drug strategy lead for HMP prison and probation services in Wales, web regarding informing probation what NA has to offer.

New face to face meetings list has been revised and circulated.
